Principal's Corner

Dear OSSES Family Members,

Tuesday, March 14th, was Pi Day. Take a look at Page 10 to see what our OSSES students did to celebrate 3.14!

OSSES PVO will be hosting a Movie Night after Spring Break! On Friday, April 7th, students can wear Crazy Troll Hair for \$1. Later, come watch the movie, Trolls, with your friends and family at 6PM in the cafeteria. Details on Page 11.

BoxTops contest is back! Cut out your BoxTops and bring them in. The class who turns in the most BoxTops will win a prize. Check out Page 14 to see which classes are in the lead so far. Don't forget to keep collecting over Spring Break!

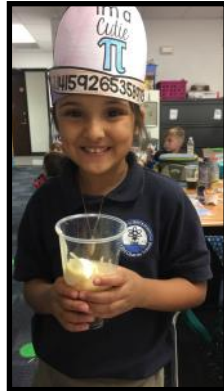

Award-winning children's book author, Kentrell Martin, will be visiting OSSES on April 6th and will speak to grades K-2. His titles incorporate American Sign Language (ASL) while telling a fun-filled story. See Page 12 for the order form! Please return the form and payment to Ms. Knight.

There is no school on Friday (March 17th). We hope you enjoy your Spring Break and look forward to seeing your student on Monday, March 27th.

Sincerely,
Michael Singleton
Principal

Kindergarten

This week in Kindergarten we have had lots of eventful things happening! In reading we have been learning about St. Patrick's Day and comparing and contrasting fiction and nonfiction texts. In math we have been continuing our learning with addition and subtraction, as well as celebrating Pi day as a class. In social studies we have been reviewing our social skill of respect and practicing our rules and procedures. In science we are wrapping up our unit on the different states of matter. The Kindergarten team hopes you have a wonderful spring break, and we look forward to seeing you soon!

This week, Ms. Anderson and Ms. Swank's class explored fairy tales! The students wrote fairy tales in writing, and completed STEM activities related to Jack and the Beanstalk (building their own beanstalk) and The Princess and the Frog (a book of the frog life cycle). In reading, students studied the elements of fairy tales - they are now very good at identifying each element within a fairy tale! We studied different versions of the story Cinderella -

starting with the American version and then reading Native American, Irish, and Zuni versions, and compared and contrasted the stories and voted on our favorites! It was a magical week!!

Ms. Parker and Ms. Strickland's classes have been very busy this week. We are working on different ways to make words with Long "e" sounds. We are reading stories about Leprechauns and writing how to

1st Grade

catch them and what to do when it happens. We are working on extending our writing by answering the "wh" questions (who, what, where, and when). On Tuesday we did STEM activities for Pi day and learned about circumference and diameter. We extended STEM activities later in the week as we finished up 3D geometry.

Mrs. Bonnell's class has been very busy this week learning about the human body! They made models of our lungs and how they work. The "lungs" were made out of plastic bottles, plastic bags, rubber bands, and a balloon. When they pulled the bottom of the bottle, the balloon inflated, simulating our diaphragms helping us inhale. They reviewed how our heart works and how important

the connection is between our circulation system and our respiratory system. In math, they reviewed 3D and 2D shapes and are just beginning to learn how to partition 2D shapes to make arrays. They celebrated Pi Day with a chocolate creme pie that one of the students brought in to share with the class (see picture). They have also been delving deep into different versions of the classic fairy tale, Cin-

derella, and making comparisons between the stories. On Thursday, they learned about the meaning of St. Patrick's Day and created a narrative story in which they had to make a plan and write a 3-paragraph story on how they caught a Leprechaun. Have a fantastic and SAFE Spring Break!

3rd Grade

This week, Ms. Murphree's class is testing their plant

knowledge with Plant Jeopardy, continuing to learn about fractions, and concentrating on possessive pronouns.

On Thursday, third grade will be participating in a spring-time STEM day.

4th Grade

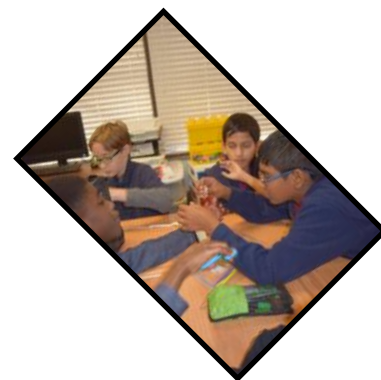

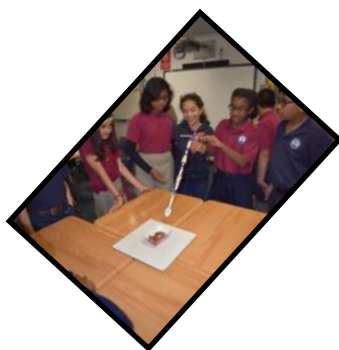

Fourth grade enjoyed celebrating Pi day as well as our Spring STEM Day this week. We had very fun stations where we made leprechaun traps, coin bridges, floating flowers and even learned a new language...Pilish! to end the festivities we enjoyed some pie! Thank you to all parent volunteers as well as parents who sent in donations.

Don't forget that our last field trip is to Astroskate on May 12th. The forms and money for this trip are due by March 31st.

Enjoy your break!

5th Grade: STEM Day!

CODING

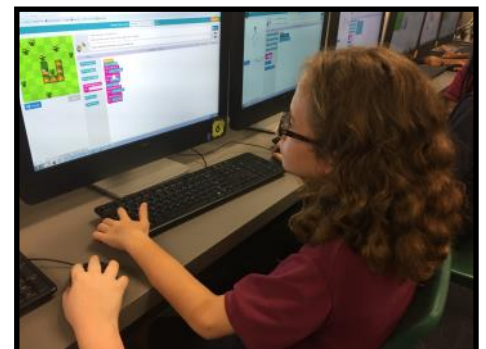

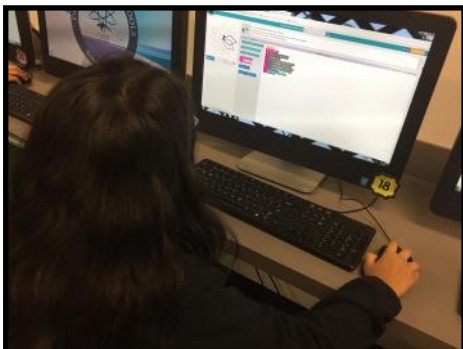

Another great and informative week in OSES ! We have learnt a lot.

We had been working on Coding with all students starting from kindergarten through 5th graders.

All of the students had been completing Course 1, Course 2 and Course 3 on code.org depend on their levels.

Thanks to all of my students for their hardworking on Coding.

I wish you all have a Happy Spring Break!

Dress Code Reminders

Dress Code: Acceptable Shoes

Dress Code: Unacceptable shoes

Dress Code: Jackets (Blue color only)

No hoodies, jackets with designs, or different colors are allowed. They may be worn to school but must be removed once inside.

Dress Code: Fall / Winter

Additional fall / winter clothing, including jackets that violate the school dress code, winter hats, gloves, etc. may be worn, but must be removed upon entering the building and stored in the student's backpack.

It is important to label all jackets and uniform clothing with the student's name and grade. In that way, if it is lost in the school, it can be returned to the right person.

Students, teachers, staff, and parents celebrated Pi Day today at Orlando Science Elementary. Students were taught the importance of the number 3.14 and how it is found throughout nature and used for man-made-construction. Students then applied their knowledge in the fields of art, cooking, engineering, and finally the art of eating. Pi Day is celebrated each year at Orlando Science Elementary and each year the events highlights our hands-on approach to learning.

Yearbook Pictures!

How to Submit pictures to be featured in the Yearbook!

Hello!

This year, submitting pictures to be considered for the yearbook is really easy.

1. Go to <http://www.hjeshare.com/eShare/Index.jsp> or search for HJ ESHARE in the app store (Apple and Android).
2. School Code: OSES2017 (case sensitive!)
3. Fill out the acknowledgement information.
4. Submit up to 10 pictures at a time. Once uploaded, you will be asked for the grade level of the student(s) in the picture. If it was a multi-grade event, such as Grandparents Night, just put K-2, 3-5, etc. If it is a single grade level, just put the number (1st grade = 1). It will also ask for the names of students and a brief description. If it is a class picture, you put "_____'s Class" or "Grade Level." All fields must have something.

That's it! The deadline to submit pictures will be sometime in March. But please do not wait until the last minute, as I'd like to work on the book throughout the year.

Pizza Day!

Pizza Day is back!

When: Every Tuesday

Options: 1 Slice: \$2

Combo #1: 1 Slice and 1 Drink - \$3

Combo #2: 2 Slices and 1 Drink - \$5

Payment: All Pizza money will be collected by your student's classroom teacher on the Monday before Pizza Day.

CASH ONLY will be accepted. Pizza Day money is separate from regular lunch money and cannot be transferred. Please send exact payment with your student in a labeled envelope for their teacher.

*****Pizza money turned in after Monday at 2:00 PM will not be accepted.*****

Pizzas are ordered from Papa John's. All slices of pizza are cheese only.
