## Principal's Corner

Dear OSS Technology Campus Family Members,

We hope that everyone had a great academic week, and we look forward to seeing some of you at Art Night Out!

This coming week is packed with events and activities that are pertinent to all grade levels. Please remember that this Monday, the 16th, is a student holiday. Picture retakes will take place on Wednesday, the 18th.

Please keep in mind that we still have our Fall Festival planned for November 4th. PVO has been working diligently on this event, and we know that it will be a success! Wristbands are now available online through School Pay, and are currently \$10. The price will go up as the event draws nearer, so buy your tickets today.

Our fundraising efforts continue with our Making Strides Event. If you are interested in joining the fight against breast cancer, please see page 5. The more team participants the better!

We can't wait to see everyone on Tuesday, and hope that you all have a restful long weekend!

Sincerely,

Michael Singleton

# Student Pick-Up and Drop-Off Information

## Quick Reminders!

Pick-Up should not arrive on campus before the times shown below:

Grades K-5: 2:40 p.m.

Grades 6-7: 2:20 p.m.

Both Pick-Up and Drop-Off follow the same car loop shown below. Please remember that we are all in this together; kindness and respect are both important.

Students may be on campus without penalty until 4 p.m., you have the time range of 2:20 to 4 p.m. to pick up your student.

Students cannot be picked up from the Front Desk after 2 p.m. If you need to check you child out after this time arrangements must be made with Mr. Singleton directly. Students may not be checked out to avoid the carline.

Parents should not be coming to the Pick-Up Area holding signs out of their vehicles. Students are released directly to their vehicles. Parents that walk for Pick-Up will be directed to the Front Office.

We understand that the logistics are challenging right now, but if we all follow procedures accordingly some of the frustrations can be avoided. With teamwork we can accomplish anything!

Please don't turn right around the cones when you leave the school.

Please don't block our neighbors driveway at the college across the street.

## Club Dismissal Reminders:

Please ensure you know your students schedule (clubs/ tutoring) and the end times. If you are unsure of your students' club schedule please contact Ms. Santiago at [Ana.Santiago@orlandoscience.org](mailto:Ana.Santiago@orlandoscience.org)

Parents should arrive to pick up no earlier than 5 minutes before club ends.

Elementary clubs and tutoring end times are:

Mondays, Tuesdays, Thursdays, and Fridays 3:35, and Wednesdays: 2:35

6th and 7th grade clubs end times are:

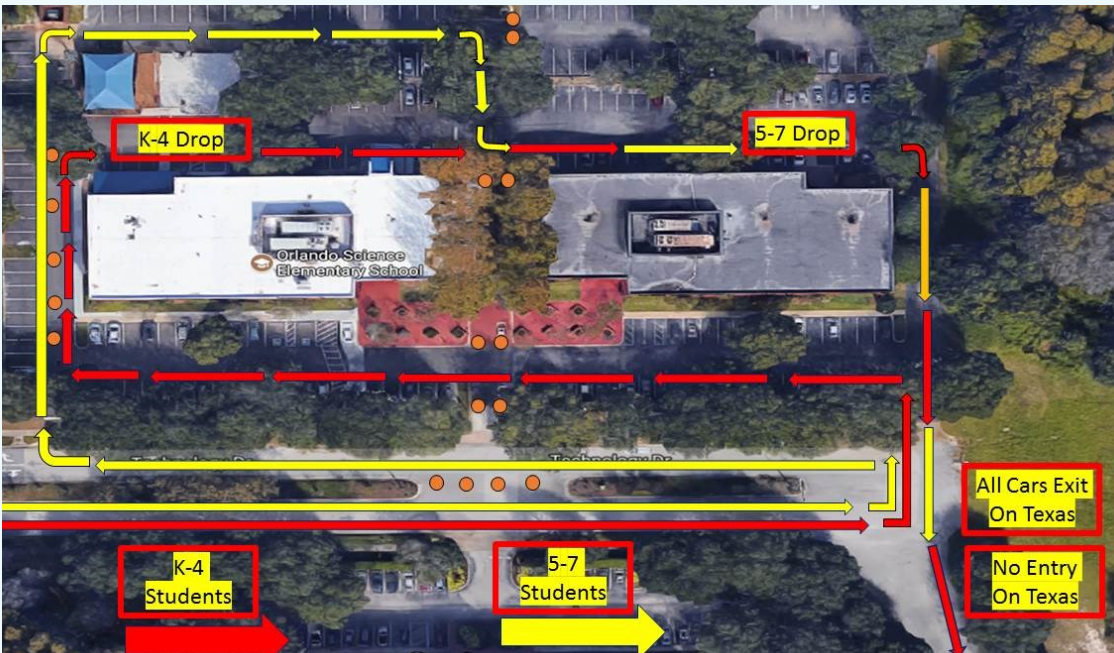

Mondays, Tuesdays, Thursdays, and Fridays 3:15, and Wednesdays: 2:15

Parents are welcomed to wait for their child outside in the parking area (not in the car line unless is dismissal time)

If a parent needs to do an early pickup from the club, they must come through the front desk with proper identification for pick up.

Clubs are for the enjoyment of children, and while we do not anticipate misbehavior, we reserve the right to dismiss a disruptive student from a club.

## Below you will find the Car Loop layout, and guide-lines:

# Menus

The Technology Campus offers breakfast and lunch options for the students. These can be found monthly online at the below listed hyperlinks:

<http://ocpsmenus.com/menu/charter-schools/breakfast/>

<http://ocpsmenus.com/menu/charter-schools/lunch/>

Payments for lunch can be made in cash, or online through our School Pay system. School Pay is currently being updated with the student numbers for this year. If the system is currently not working for your student, the total invoice will be available once the online system is functioning properly.

More information about School Pay can be found on the following page.

## The October Breakfast and Lunch Menus can be found below:

# School Pay

Parents can now make online payments for most school expenses online with School Pay. Simply log into your secure online School Pay Parent Center account and pay for items including after school care fees, club fees, field trips, class fees, student fees and more.

The first step is creating your Parent Center Account at <https://www.schoolpay.com>. Please go to "Charter Schools" tab and then choose your school name as "Orlando Science Elementary School" to complete the steps for creating your parent account.

## School Pay Features:

Online payment methods via VISA, MasterCard, Discover cards and electronic check

Secure parent accounts

A full history payments searchable by date and child

The convenience of paying at any time (24/7) from your home PC Emphasis on Security

The School Pay service is audited by a third-party to assure adherence to the strict, Payment Card Industry Data Security Standard (PCI-DSS).

If you have any problems using the School Pay system please call 1 888-88-MYPAY

Questions about school pay may also be directed to Mrs. Cann: [jasmine.cann@orlandoscience.org](mailto:jasmine.cann@orlandoscience.org)

## SCHOOL PAY!

### THE SMART WAY TO PAY FOR YOUR STUDENT'S SCHOOL RELATED COST

Parents can now make online payments for most school expenses online with School Pay. Simply log into your secure online School Pay Parent Center account and pay for items including after school care fees, meal fees, field trips, class fees, student fees and more.

The first step is creating your Parent Center Account at <https://www.schoolpay.com>. Please go to "Charter Schools" tab and then choose your school name as "Orlando Science Elementary School" to complete the steps for creating your parent account.

## School Pay Features:

- ✓ Accepts Visa, MasterCard, Discover cards and electronic check
- ✓ Free processing
- ✓ Secure parent accounts
- ✓ Full payment history searchable by student name and date

## Pay For:

\*Meals

\*Aftercare

\*Club Fees

\*Fieldtrips

\*Class Fees

And more! All on

***The 1st Annual OSS Fall Festival will be held on Saturday  
November 4th 2017***

This is where we need your help! We have various sponsorships available to fill. If you would like to be a business sponsor, individual sponsor, or know of a business that would be willing to be a sponsor, please contact us. We will be working diligently over the summer to bring this event to fruition.

With your help, we can make our inaugural year a great success!

Please feel free to contact our PVO Committee below for more information on sponsorship levels, to submit a sponsor referral, or if you would like to become involved with the PVO committee. Our kids are this country's future; please help us support our school's needs by supporting the efforts

of the OSS PVO committee.

## Making Strides Event

The Student Government created a team to participate in the Making Strides Against Breast Cancer Walk on Oct. 28 @ Lake Eola. We are calling interested teachers, students and clubs to join this worthy cause. Simply click on the link below to either join our team or make a donation. We have a goal of raising \$1000.00, and I have no doubt we will. If you have any questions, please ask.

<http://main.acsevents.org/goto/OrlandoScience>

**IT'S A GREAT CAUSE.**

*It's also a great time.*

Making Strides Against Breast Cancer events raise money for the American Cancer Society's efforts to save lives from breast cancer. They raise awareness about of breast cancer prevention. They honor survivors. And, as you can see in the photo, they can also be a lot of fun.

**Please join my team**, walk in the Making Strides Against Breast Cancer event, and help us make it a special, fun day. If you can't join us, **consider making a donation and help me reach my fundraising goal.**

# Monthly Calendar

List of Important Dates:

- 10-02-17—PVO Meeting (Begins at 6pm)
- 10-05-17—PTC Night for Grades 6th and 7th.(4:30pm-7pm)\*
- 10-06-17—Cancer Awareness Day (Students that make a donation, and wear at least 1 article of pink clothing will be able to participate in a dress down day.)
- 10-09-17—Last day to RSVP for Art Night Out
- 10-13-17—Art Night Out—Ebru Paper Marbling (5pm-7pm) (Page 10)
- 10-18-17—Picture Make-up Day
- 10-19-17—Hearing Screenings (Grades K, 1, 3, and 6)
- 10-27-17—OCPS Official Make-Up Day-Fifth Grade Field Trip
- 10-28-17—Making Strides Against Breast Cancer Walk (Page 5)
- 10-20-17—Spirit Night (Begins at 5pm) (Page 11)

\*If you were unable to sign up via Sign Up Genius, please contact your student teachers for a potential conference. If you need your student’s teacher contact information please email Ms. Reagan

# Kindergarten

---

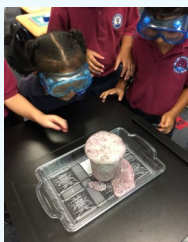

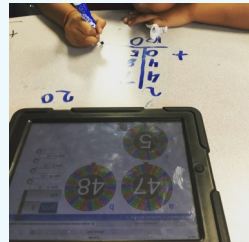

Kindergarten has been working hard! It's hard to believe that the first quarter is done! In Mrs. Krygowski's and Mrs. Vinson's classes, students have been working on reading and writing words with double consonants, place value to 100, and writing with conventions. Ms. Yamnitz's and Ms. Lineberger's classes, students are working on learning their letters and sounds, how to spell basic words by sounding out, and comparing 2D and 3D shapes. All classes have been learning about maps in Social Studies and Forces (pushes and pulls) in Science.

## 1st Grade

---

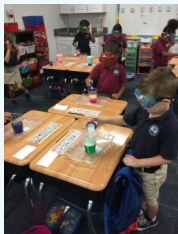

This week first grade continued to excel in math and reading. AR has been fully implemented in the classroom and all students are working hard towards meeting their end of month goal!

Miss Fisher's class is gathering materials for exciting upcoming experiments, and learning about constellations in science.

Please continue to read with your child at home and have them complete 45 minutes of IReady lessons in both reading and math each week.

Ms. Parker's class observed, hypothesized and experimented.

## 2nd Grade

---

In Second Grade, this week we have had a great time exploring our weather. This week we discovered how the season's change due to the rotation and tilt of our planet around the sun. We also learned how the water cycle is never ending! Ms. Volden's class had fun going outside and watching our puddles evaporate, and even made a cloud inside with Mrs. Chandler's class on Thursday!

## STEM

---

The past couple of weeks in STEM has been focused on the Engineering Design Process for grades 2-5. The students have been challenged to design and build a roller coaster that has one hill one loop, and one turn. As part of this unit students learned the meaning of criteria and how constraints can affect the outcome.

## 3rd Grade

---

3<sup>rd</sup> grade had a wonderful week of fun and learning! Mrs. Cybulski and Ms. Knight's class did some epic multiplication bees to learn about sportsmanship, math, and we got some outdoor sun and exercise at the same time!

Mrs. Cybulski's class presented their Array Communities, where students combined arrays with learning about urban, suburban, and rural communities. The projects were so very amazing and creative! We also made glorious art projects such as salt art and Halloween hand puppets to help us develop instruction following and creativity. Mrs. Cybulski's class also continued monitoring our mysterious mold experiment where students learn about the way mold grows and spreads. Mrs. Cybulski's class continued reading Charlie and the Chocolate Factory while creating some great candy advertisement of our own while cementing figurative language. As a reminder, please make sure to turn in the field trip forms for the Kennedy Space Center, and chaperones need to contact the teachers ASAP. Also, parents should be getting information soon about the Great Traveling Fair. The fair will be on December 20<sup>th</sup>.

## 4th Grade

---

4th grade has had a very busy week this week! All classes participated in a Mock FSA in order to get a baseline of where our writing ability is. Our field trip to see Newsies at the Orlando Repertory Theatre is next Thursday, October 19. Please remember to send your child with a disposable lunch on this day. If you have been selected to chaperone, please be sure to apply for the volunteer opportunity on ADDITIONS. Lastly, if your child will not be attending the field trip, please let his/her teacher know if he/she will be coming to school so plans can be made. Enjoy the three day weekend!

## 5th Grade

---

In 5th grade this week, we had our first STEAM day of the year. Students worked together in groups to build ghost rockets, create spooky haunted houses and candy corn catapults. Students had a blast working together cooperatively with their classmates!

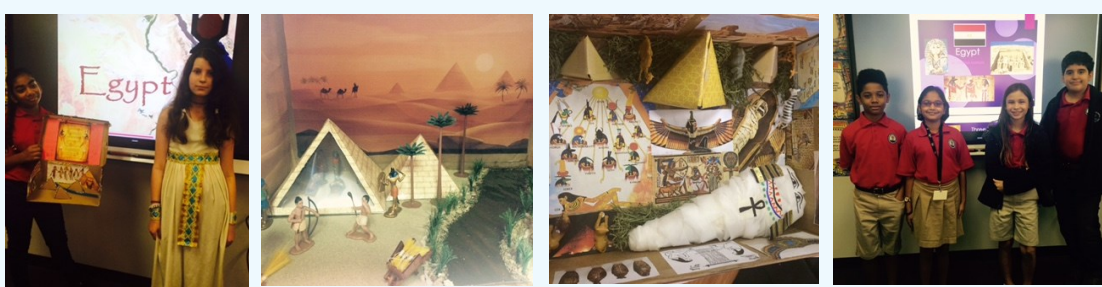

In Ms. Jensen's class, students chose a planet or dwarf planet to research and create a model of. They presented their projects to the class this week. They were all so informative and creative! We learned that Pluto was named by an eleven-year-old girl from England, it takes Neptune over 164 years to orbit the sun, and many other amazing facts about planets.

Don't forget that the 5th grade field trip to the zoo is on Friday, October 27. Permission forms are due on Wednesday, October 18th. Have a great weekend!

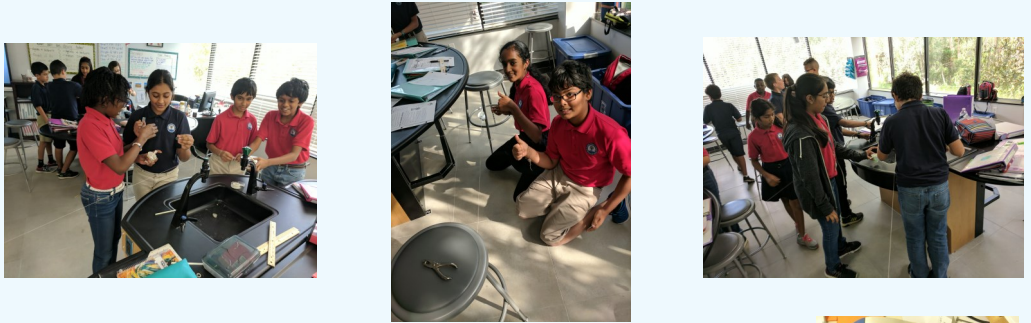

## 6th/7th Grade

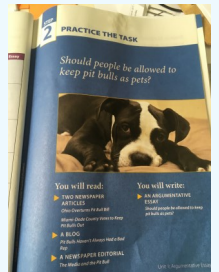

Ms. Kish's students re-created Ancient Egyptian scenes by making dioramas- (a model representing a scene with three-dimensional figures, either in miniature or as a large-scale museum exhibit.) Farmers, Scribes, Priests, Pharaohs were represented along with 10 specific facts (word document, brochure or Powerpoint.) \*The Ancient Egyptians believed in the afterlife= the "ka" (life force) and the "ba" (soul). During the mummification process, the heart was left inside the body because it represented intelligence, feeling and emotion. The brain was removed and considered a waste of space!

After doing a lesson on the different types of models, Ms. Piontkowski's class built ziplines to show the application, usefulness, and fun of making physical models.

Ms. Gutsin's class, is planning their first essay assignment on the controversy of keeping pit bulls as pets. They are using sources to analyze data creating logical, cohesive arguments!

Ms. Bravo's class started off the week "smashing" their Piñatas! The students had so much fun cheering and hitting the Piñata outside!! Congratulation to the Piñata contest winners of my 7th grade Home-room. They are going to have a Pizza Party for Lunch this Friday October 13, 2017!!! Thank you to all my classes for all your hard work and dedication!

On Thursday 10/12, our 6th and 7th grade basketball club students participated in a friendly scrimmage against Lynx campus Basketball club players. Our campus players included, Valdimir Jean Louis, Esa Muhammad, Porter MacCabe, Claudel Raphael, Kendall Cidel, Sharad Sarran, Dylan Campos at the Lynx Campus.

Students from both campuses were able to get connected and had a great time!

# Art Night Out—Ebru (Paper Marbling)

---

A poster for an Art Night Out event featuring Ebru (Paper Marbling). The background is a vibrant, multi-colored marbled pattern. Two stylized green leaves with purple and blue marbled centers are positioned on the left and right sides. The text is centered and reads: 

**ART NIGHT OUT:**

**Ebru(Paper Marbling) Art**

Marbling is the art of creating colorful patterns by sprinkling and brushing color pigments on a tray of oily water and the transforming this pattern to the paper. Marbling is very old and traditional Turkish art.

This technique makes you feel power of creativity by catching the mystery both conflicts and harmony of your own will power of water and paint.

At the same time it provides you to live it by relaxing while you are taking a great pleasure with this event.

OSS invites parents and 6th grade students, currently taking Turkish, to Ebru Night on October 13th.

At this night all parents will be able to create their own amazing Ebru Art at 3 different stations.

Some refreshments will be served as well.

**Please come and join us to HAVE FUN.**

Where: Orlando Science Schools Technology Campus Cafete-  
When: October 13th, 2017 from 5 pm to 7 pm.

Please RSVP to Ms. Reagan no later than October 9th 2017 at [Hannah.Reagan@orlandoscience.org](mailto:Hannah.Reagan@orlandoscience.org)

# Free and Reduced Lunch Information

## Orange County Public Schools

445 West Amelia Street • Orlando, FL 32801-1129 • Phone 407.317.3200 • www.ocps.net

Dear Parents,

It is important for every student to have a nutritious breakfast and lunch to succeed academically. We can ensure your child's success by providing meals at every Orange County Public School. The Meal Benefits Program is an income based program that can qualify your child to receive discounts on your child's school meals.

The benefits of participating in the Meal Benefits program are many. You can qualify for free-no cost meals, you can qualify for reduced priced meals, discounts in school/summer programs, discounts on college applications for those who participate, discounts on SAT testing, and your school can also get funding.

Meal applications can be completed online at [www.ocpsmealapp.com](http://www.ocpsmealapp.com). Online applications take 24-48 hours to be processed. You may also apply by completing a paper application and return to your child's school or you may send it directly to the Meal Benefits Department at 6501 Magic Way Bldg 500, Orlando, FL, 32809. Paper applications take up to 10 business days from the day the Meal Benefits Department receives your application to be processed.

We look forward to your participation in the Meal Benefits program. Please submit your application by September 26, 2014.

Sincerely,

Anika B. Heard  
Meal Benefits Department Manager

## Orlando Science Expansion

### THANK YOU

We would like to take this opportunity to formally thank our generous donors who contributed to the Go Fund Me Campaign aimed at raising funds for our Orlando Science School Expansion.

The donations have gone toward classroom furnishings and fixtures at the new Technology Drive campus.

**\*FUNDS RAISED = \$4,215\***

DONATION LEVEL	DONATION SCOPE	DONORS
ORCA	\$10,000+	
DIAMOND	\$5,000-\$9,999	
PLATINUM	\$3,000-\$4,999	
GOLD	\$2,000-\$2,999	
SILVER	\$1,000-\$1,999	<b>Akella Family</b> <b>S. Lall</b>
BRONZE	\$500-\$999	<b>Jandhyala Family</b>
PARTNER	\$250-\$499	Anonymous Donor Anonymous Donor
SUPPORTER	\$100-\$249	Anonymous Donor <b>Sheikh Family</b> Anonymous Donor Anonymous Donor Anonymous Donor <b>H. So</b>
FAN	\$1-\$99	<b>Schoppert Family</b> <b>Jackie Jones</b> Anonymous Donor Anonymous Donor

Thank you so much for your support!

Our appreciation of your dedication to our school family goes beyond words.

Though the school year has begun, we do still have many more plans for improvements to our Orlando Science School campuses. So, if you would still like to contribute to the campaign, please feel free to visit the link below.

Tiago Martinez

Anaiah Charles

Meila Moe

Wesley Sharp

## **First Grade—**

Rigoberto Garcia Palacios

Carlos Hakemer-Fernandez

Cade Fleming

Anyssah Ouaryachi

## **Second Graders—**

Iddriss Bourkiza

Talyah Lall

Srihitha Sai Doddi

Celaleddin (Emri) Han

## **Third Graders—**

Ahmet Yuksel

Leilani Houston

Emily Fuentes-Santiago

Manahil Siddiqui

Madhav Gadiyaram

## **Fourth Grade—**

Myel Alabre

Noor El-Helw

Hamsika Addanki

Snigdha Beesabathuni

Audrey Comeaux

Aarav Shah

## **Fifth Grade—**

Alexandria Graham

Beeraj Bhut

Nadia O'Connor

Mareka Pendergrass

## **Sixth and Seventh Grade—**

Jasmyn Hayles

Juliet Fuentes

Raymond Chakir

Michelle Li

Nidhiya Joseph

Lillian Baumann

Rayan Rhamine

Jade Waters

Diego Rivera

Joshua Somoza

Aditi Abhilash

Delano Hill

Zhanee Lewis

Cahlil Lewis

Sara Casey
